

Cajun Lake Lodge

Tips/Tricks for your stay

Use of Property: Please roam the property at will, enjoy the trails and go down to Jones Creek at the very back of the property

Air/heat: There is central heating and cooling on the main floor and it also controls the basement party room. The thermostat is located on the main floor between the bathroom and bedroom. The upstairs bedrooms each have a window unit for air/heat. If you are using a hair dryer in the upstairs bedrooms, please turn off the window unit.

Coffee: We have a regular coffee pot with coffee supplied; creamer is in the refrigerator.

Bugs/Mosquitos: We spray for mosquitoes and ticks near all structures, but you will want to bring bug spray if you venture anywhere else.

Password: The internet wi-fi password is: gumbo123

Kitchen: Fully stocked with cups, glasses, plates, pots and pans, serving dishes, utensils. Please be careful what you put down the garbage disposal, as it will clog with celery, seafood shells, and other stringy or dense foods.

Towels: Towels are located in the hallway closet across from the downstairs bathroom. There are towels on the stand in the upstairs bathroom. There are additional towels in the upstairs hallway closet.

Extra Sheets: There are extra sheets, blankets, and pillowcases in the upstairs hall closet and in each bedroom closet.

Children's Items: There is a toy chest in the downstairs coat closet behind the front door. There are also children's books in the upstairs bedroom with the twin beds. Please clean off the toys after you use them.

Charcoal Grill: There is a charcoal grill on the outdoor patio; you supply your own charcoal; we have lighters either on the inside window sill or under the outdoor grill for your use. Please clean the grill prior to your departure. **FAILURE TO DO SO WILL RESULT IN A \$50 CHARGE.**

Outdoor Firepit: There is wood located right near the firepit. Please do not place cans or glass or cigarette butts into the firepit. If you need more wood during your stay, **WE WILL REPLENISH THE WOOD FOR A \$50 FEE.**

Ice: There is no icemaker in the Lodge, so you may want to purchase some on your way in.

Washer/Dryer: We provide detergent and fabric softener for your use. Detergent is poured directly into the washer basin prior to putting in clothes or towels or sheets.

Pool Table: Please help us to keep it in pristine condition by not placing anything on it other than pool balls and your sticks. Please do not sit on the table. Please do not attempt to move the pool table as it becomes unlevel and we must call a Billiards company to relevel and you will be charged.

Darts: There is a dart board for your use; should you want the darts to play, and there are no children in your party, please let us know

Video game: There is a video game downstairs; the “on” button is at the top of the game. Please turn it off when you are not using it.

Horseshoes: There is a horseshoe pit located behind the Lodge. You will see orange cones that cover the pegs.

Downstairs Bar: There is a small refrigerator and sink at the bar downstairs.

Parking: You may park on the inside of the concrete drive closest to the Lodge or in the grass in front of the Lodge. Please DO NOT BLOCK THE MAIN DRIVEWAYS at any time, as these driveways are considered streets for heavy equipment and fire and police purposes. Further, please do not park alongside of the main driveways as a large commercial truck will not be able to go through.

Pets: There are NO pets allowed on the property.

Swimming: You may swim in the largest lake; there is a floating dock at the Cabin that serves as an entry point for you. The lake is spring-fed and is very clear most of the time. In the heat of the summer, there may be some algae; we work to keep this to a minimum with all-natural products.

Fishing: You may fish in all three of the lakes. We have a “catch and release” policy. You do not need a license as you fish under our commercial license.

TV Remotes: Please make sure that you keep the TV remotes in the specific room that houses the TV. If a remote is misplaced, YOU WILL BE CHARGED A \$50 REPLACEMENT FEE.

Should you have any questions or issues while you are here, please contact us:

peleazar@comcast.net or Paula at 615-499-2394 or Nicole at 615-308-9105

Thank you for your consideration!
